Welcome to the CAC's network of reciprocal clubs for the year 2006. We are please to introduce 287 clubs of which 152 are domestic and 135 are international. We now have reciprocity with clubs in 43 states and 34 countries. This year for the first time, we have a network of clubs called Club Quarters. These fine corporate-quality facilities are strategically located in 11 cities, including New York, Washington, Boston, San Francisco and London. Check out the weekend and holiday rates — they are an extraordinary value for the venue.

Our network of reciprocal clubs provides approximately 80 clubs with lodging and 150 clubs with athletics. Please refer to the CAC website at www.cincinnatiathleticclub.com periodically for updated information on reciprocal clubs. If there are other clubs that you wish to contact, please telephone me or e-mail me at the below address.
